Hon. Commissioner of Patents and Trademarks, Washington, D.C. 20231.

Sir,

Submission of New Claim 21 & Amendment on Description

Pls ignore my amendment proposal dated 21 Sept., 2001, filed by fax on 21 Sept., 2001.

I really hope that new claim 21 can be submitted at a much earlier time, but owing to the complexity of the present invention which admitted of a multitude of variations, it really take me considerate time and effort to make it reasonable. I would be grateful if the Examiner can understand my situation, difficulties and concern.

Please change the title to be read as "Computer Apparatus/Software Access Right Management".

As for the new claim fee for claim 21 which is \$42(Independent claims in excess of three) + \$9(Claims in excess of twenty)= \$⁵¹49, the Examiner is reminded that I have paid twice for the fee of Extension for response within first month to First Office Action, so there is a payment in excess of \$55. The Examiner is requested to use it for the fee for claim 21.

Respectfully submitted,

Ho Keung, Tse.
